

A map of the Schavenmolenstraat area in Rotterdam. The map shows the street layout with Schavenmolenstraat running horizontally. To the north of the street are several residential blocks. To the south is a railway line. Four measurement points are marked with blue triangles and red numbers: Point 1 is at the intersection of Schavenmolenstraat and Hoornstraat; Point 2 is at the intersection of Schavenmolenstraat and Vosdijk; Point 3 is further east on Vosdijk; Point 4 is at the intersection of Schavenmolenstraat and a road leading to the railway station. Other streets shown include Maarten Gonsstraat, Meegenstraat, and Kleeflaan. A canal is visible to the west of the street.
